Evangelist Ellis Stelly

Living In The Realm Of The Spirit

" Through faith we understand that the worlds were framed by the word of God, so that things which are seen were not made of things which do appear."
Heb. 11:3

God wants us to know Him and to live for Him in the earth as His children by faith. Many times we forget that , we are supernatural beings once we become born again. And we sometimes forget that thou we exist here in the natural realm we are called to live in the spirit realm 24 hours a day 7 days week. The devil does not what us to realize that we are spirit beings redeemed by the blood of Jesus Christ our Lord which gives us spiritual **rights of covenant** to operate and live as spirit beings filled with the life of God in us. Which empowers us to move mountains, live healed, and rebuke him; the devil himself , and have victory in every situation of life come what may. And just let me say this ... **there are no victories without great battles** , there are **no great testimonies without great test !!!**

The realm of the spirit is the realm of faith, the realm faith is the realm of the spirit were God is. In this realm the word of God rules, in this realm prayers prayed in line with Gods word get answered, In this realm confessions

or declarations of faith come to pass and manifest because of the force of faith in them .

The greatest thing that will ever happen to you is when you move out into this realm of faith that I'm taking about. Your intellect, or mind will try and fight you. And your physical senses will fight you every step of the way. That's why it is important to get our minds renewed on the word of God which is the word of faith.

" **The word is nigh thee, even in thy mouth , and in thy heart: that is the word of FAITH, which preach" Rom.10 :8**

But it's all by faith, faith speaks, faith acts, faith stands.

Faith speaks : to the mountains or test or storms of life until victory comes

Faith acts: On what the word of God say's allowing God's word first place and final authority in every situation of life.

Faith stands: on the what God has promised in His word and is not move by what it hears , and what people say, or by what it sees.

Today when you pray ask God to fill you with the **Holy Spirit of Faith** according **1 Cor. 12 7-9** , when this happens you will be unafraid to do what God ask you to do because he will empty you of all doubt. You will see that yes you can be the Joseph to all of your family in the time of famine, yes you can live in your good land. I believe **Seed Of Life Evangelistic Ministries** will be just that.

Confession

I' am a child of God , because I accept Jesus Christ as my Lord and Savior , therefore I am a supernatural being with supernatural power from my God through faith in His word, and I will see the goodness of the Lord in the Land of the living according Ps.27 Amen

Take care and don't wait ...prayer right now.
